Available Colours: Sapphire Blue, Midnight Opus, Lunar Radiance

Brand Name: OnePlus

Colour: Sapphire Blue

Ear Placement: In Ear

Form Factor: In Ear

Noise Control: Adaptive Noise Cancellation

About the Item (Source: Amazon):

- "The latest update introduces Steady Connect, which dramatically improves Bluetooth connection strength and reliability, even in challenging, high-interference environments like airports and railway stations. Users can maintain connectivity up to 360 meters away in open areas. Whether enjoying music at the gym with a phone safely locked away, or taking calls at home while the device remains in another room, Steady Connect ensures an uninterrupted audio experience.
- " When paired with the OnePlus 13 series, AI Translation provides seamless convenience for everyday face-to-face communication. In a bilingual interaction, users can hear their preferred language through their OnePlus Buds Pro 3, while their conversation partner sees the translation in their own preferred language on the user's phone app."
- [Dual Drivers + Dual DACs]: 11mm woofer and 6mm tweeter, each tuned by its own Digital-to-Analog Converter (DAC). This precision-engineered setup delivers deep bass and crisp treble, offering rich lows and pristine highs in an expansive soundstage
- [Hi-Resolution audio - LHDC 5.0]: Experience studio-grade clarity and depth with the latest audio codec, featuring a 1 Mbps bit rate and support for 24-bit/192 kHz audio.
- [50dB Adaptive Noise Cancelling]: Real-time, adaptive noise cancellation up to 50 dB delivers unparalleled control over your acoustic environment.
- [Up to 2X better voice cancelling]: Reduce the noise of conversations around you with up to 2X better background voice suppression than the OnePlus Buds Pro 2.
- [Dynaudio EQs]: Co-created with Dynaudio, precision-tuned audio profiles ensure meticulously balanced notes. Hear your world your way with sculpted audio signatures
- [Dual Connection]: Simultaneously connect to two devices (Android/iOS/Windows smartphones, tablets or computers) for quick and seamless device switching.
- [Battery Life]: Enjoy up to 43 hours of battery life, and 10mins of Fast Charging provides over 5 hours of music playback.

- [IP55 rating]: Dust and water-resistant design protects against sweat and rain, [Bluetooth and Low Latency]: Bluetooth 5.4 support with 94ms ultra-low latency ensures minimal audio delay.
